A Rich Campus Experience

Shiv Nadar University Chennai strives to offer a truly immersive and enriching campus experience to its students. The campus serves as a home to over 4000 exceptional students from SSN College of Engineering, affiliated with Anna University, who are among the brightest minds in the nation. These students are provided with state-of-the-art academic infrastructure that rivals the best in the world. The University nurtures a campus culture that values respect and open-mindedness, encouraging students to actively participate in intellectual debates, question established beliefs, and explore diverse avenues for learning and self-expression. It goes above and beyond in providing students with the necessary resources to pursue their recreational interests through a wide range of clubs, societies, and activities. Moreover, the University constantly promotes and supports entrepreneurial projects, empowering students to turn their innovative ideas into reality.

Transport

Despite our university's location slightly outside the city, transportation to and from the institution is always convenient and accessible. We understand the importance of easy commuting for our students, whether they are day scholars or hostellers.

For day scholars, we have implemented multiple bus routes that cover almost every part of the city. These buses operate in the morning, transporting students from various locations in the city to the campus. In the evening, once classes are over, the buses ensure a smooth return journey for the day scholars back to the city, ensuring their convenience and minimizing travel concerns.
